**Subject: In Response to the Draft B Zoning Regulations
for Ravalli County**

Dear Ravalli County Employees,

I have lived in Ravalli County for the last 31 years. I value my freedom to own land; to be an accountable user of it; and to protect my property rights.

Draft B Zoning Regulations for Ravalli County takes away my freedom as mentioned above. IT TELLS ME WHAT I CAN AND CAN'T DO ON MY PROPERTY. This Draft B is a thief without a gun!

This Draft B does not follow the Constitution. It violates the United States Constitution and the Montana State Constitution. It violates my due process and property rights. It does not comply with the Montana Statues Governing zoning. It is not lawful for zoning to be based on density.

My freedom is taken away when The County will not allow me to vote on this issue. Please place this on the November ballot.

Thank you,

The first part of the report is a summary of the work done during the last year. It is a very short summary, but it gives a good idea of what has been done. The second part is a more detailed account of the work done. It is a very long and detailed account, but it is very interesting. The third part is a list of the work done during the last year. It is a very long list, but it is very interesting. The fourth part is a list of the work done during the last year. It is a very long list, but it is very interesting.

The fifth part is a list of the work done during the last year. It is a very long list, but it is very interesting.

The sixth part is a list of the work done during the last year. It is a very long list, but it is very interesting.

The seventh part is a list of the work done during the last year. It is a very long list, but it is very interesting.

The eighth part is a list of the work done during the last year. It is a very long list, but it is very interesting.

The ninth part is a list of the work done during the last year. It is a very long list, but it is very interesting.

The tenth part is a list of the work done during the last year. It is a very long list, but it is very interesting.
